a few seconds ago

Avoid 2 consecutive rest days. E.g. run on Tuesday, Thursday, Saturday, Sunday.

Notes:

- This is a 12-week program for those who wants to finish 10k run below 50 minutes.
- There are 4 runs per week. **If you don't have a time for all trainings you can sometime miss T3 from your plan.**
- You should stretch/roll your muscles after every run.
- Do a strenght/core training at least 2 times per week.

Definitions:

- Zone 1 run - easy, comfortable run. During this intensity you should be able to talk with other person.
50-60% of your HR max
- Zone 2 run - 60-70% of your HR max
- Passive cross - training in forest or other varied terrain. Run should be comfortable. Don't try to sustain pace when run uphill.
- **Active cross** - start easy and increase intensity during time. At the end of active cross you should be really tired. The best idea is to run this type of cross on a loop (around 1-2 km). Every lap should be at least few seconds faster than previous one.
- Strides 100m/100m. 1 repetition is:
100 meters fast / 100 meters easy
Fast but not sprint. Concentrate on run technique. Don't land on your heel.

Tasks names consists:

- W# - number of weeks to your race (number goes from 12 to 1 - #1 is your RACE WEEK. This way you can easier calculate in which place of training plan are you today)
- T# - number of training in a week (from 1 to 4 if you have 4 runs per week)
- exercise description

W12 T1: Zone 2 run 40-50'

W12 T2: Zone 1 run 70'

W12 T3: Zone 2 run 40-50' + 10 strides (100m/100m) + Zone 1 run 5'

a few seconds ago

Start on 5k. You can find a race or do it on your own:

- Warm up - Easy run 10'
- Rest for a while
- Run 5k with avg pace 4:47'/km

You should finish with time 23:50-24:05. If it was too fast for you and your time at finish line was worse, then you have to repeat trainings from week 4 (W4) for next 2-3 consecutive weeks and try TEST one more time.

W2 T1: Zone 2 run 40-50' + 10 strides (100m/100m) + Zone 1 run 5'

W2 T2: Zone 1 run 70-80'

W2 T3: Zone 2 run 40-50' + 10 strides (100m/100m) + Zone 1 run 5'

W2 T4: Zone 1 run 15' + 3 short strides + 1-2' rest + cross (active) 40-45' + Zone 1 run 5-10'

W1 T1: Zone 2 run 40-50' + 10 strides (100m/100m) + Zone 1 run 5'

W1 T2: Zone 2 run 30' + 10 strides (100m/100m) + Zone 1 run 5'

W1 T3 (Pre race workout): Zone 1 run 20-25' + 5 strides (100m/100m) + Zone 1 run 5'

Do not overheat on strides. Do it a little bit slower than normally.

W1 T4: RACE DAY 10 km

🗨️ 1

Nurek

a few seconds ago

Warm up - Easy run 10-15' + 3 short strides.

Rest for a while, focus and have fun. :)

Run with pace around 5:05-5:00. Try to accerate on last few kilometers and do a strong, fast finish!
